I hereby authorize treatment by Town Center Family Dentistry. I further authorize release of all dental records as is necessary for third party reimbursement from my insurance carrier(s). I authorize direct payment from said insurer(s) to this practice.

I realize this office bills my insurance company as a courtesy to me; however, I understand that I am ultimately responsible for any non-payment from my insurance company. I also realize that there is a \$30.00 return check fee. I am aware that this office charges a \$50.00 broken appointment fee for any appointments not cancelled with at least 48 hours notice. As a courtesy and show of goodwill, I am aware that this fee is waived the first occurrence.

I understand that there will be an interest of 1.5% per month of all remaining balances on my account over 60 days, and that I will be responsible for attorney's fees of at least 33 ¹/₃%, along with any other related cost of collections if such actions become necessary.
